What is the Arbor App?

The Arbor App brings all the functionality of our popular desktop Parent Portal to your phone. Say goodbye to paper slips and emails - the Arbor App lets you book parent/guardian consultation slots, register your child for a club or trip, and manage payments all from one place. You can also use it to check in on your child's attendance, behaviour and academic progress.

Arbor is only for parents at schools using the Arbor Management Information System (MIS), who have enabled the Parent Portal. If you're not sure whether this applies to you, we recommend contacting your school's office.

If you are having difficulty using the Arbor App, please contact your school. Please do not contact Arbor directly.

IOS

Go to your App Store and search 'Arbor'. Click the top option. Click 'Get' to download the Arbor App.

Enabling push notifications

Android

You can turn Push Notifications on or off at any time by going to your **Settings** on your phone. For example, on a Samsung Galaxy S8, go to **Settings > Apps > Arbor > Notifications**.

Tap the slider to turn Push Notifications on and manage your settings.

IOS

When you download the Arbor App, you will receive a prompt to receive notifications from Arbor. Make sure you select **'Allow'** to enable your school to send you push notifications. This will ensure you receive a notification when you have a new In-app message.

If you select '**Don't Allow**', you can turn Push Notifications back on at any time by going to your **Settings** on your phone. For example, on an iPhone SE, go to **Settings > Arbor > Notifications**.

Tap the slider to turn Push Notifications on and manage your settings.

Logging in

Before you log into the Arbor App

Please wait until your school has enabled the Parent Portal. You will not be able to log into the Arbor App until they have.

When they enable Parent Portal, they should send you a welcome email. It is using the username in this email that you can log into the Arbor App. As you have never used Parent Portal on a desktop computer before, you will have to set a new password using this email. Click the link in the email.

Welcome to Arbor! The Sunnyville School of Magic is using Arbor and has set up an account for you.

To finish creating your account, you just need to set a password.

Your username is:

If you have any queries, please contact The Sunnyville School of Magic.

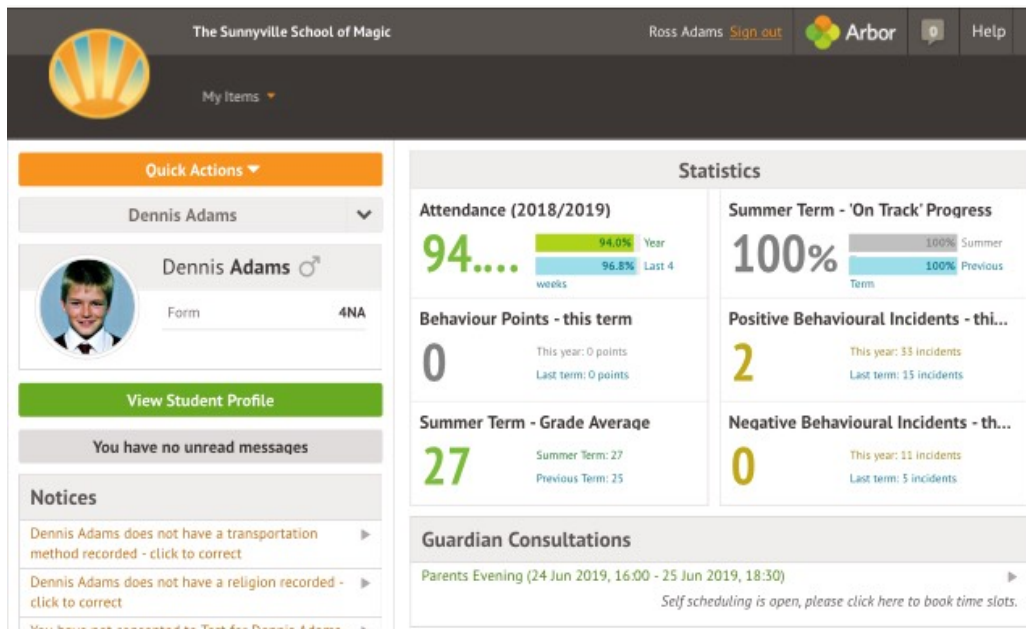

In your browser, you will be able to create a new password.

The screenshot shows a web interface for 'The Sunnyville School of Magic'. At the top left is the school's logo and name. The main heading is 'Create new password'. Below this are two input fields for password creation, each with a series of dots representing characters. A green button labeled 'Create new password' is positioned below the input fields. Underneath the button, the 'Password rules' are listed:

- Passwords must match.
- The password must be at least 8 characters in length.
- The password must contain at least one letter.
- The password must contain at least one number.
- The password must contain at least one lowercase and one uppercase letter.

You will then be taken to the Parent Portal in your browser. Just **close your browser and click the Arbor App to use this instead.**

The screenshot displays the Parent Portal dashboard for 'The Sunnyville School of Magic'. The user is identified as 'Ross Adams' with a 'Sign out' link. The dashboard is divided into several sections:

Logging out

You will automatically be logged out of the Arbor App after 10 minutes of inactivity. You can also log out by using the logout feature or by closing down the Arbor App completely (see instructions below).

From within the Arbor App

Tap the profile icon in the bottom right of your screen and select '**Logout**'.

Closing the Arbor App

On Android, for example on a Samsung Galaxy S8, you can close the Arbor App by clicking the verticle bars icon at the bottom left of your screen. Swipe the Arbor App up to close it and you will be logged out.

On IOS, for example on an iPhone SE, you can close the Arbor App by clicking the home button twice. Swipe the Arbor App up to close it and you will be logged out.

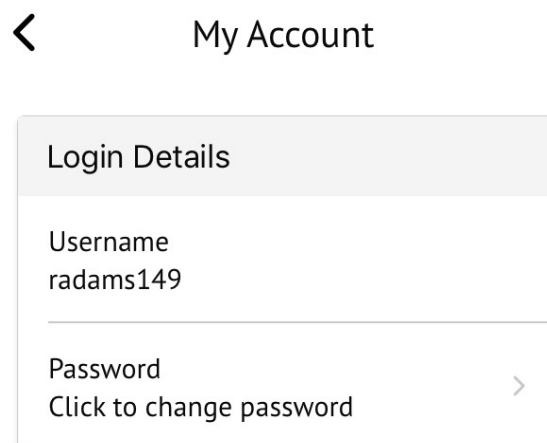

Resetting the password

From within the Arbor App

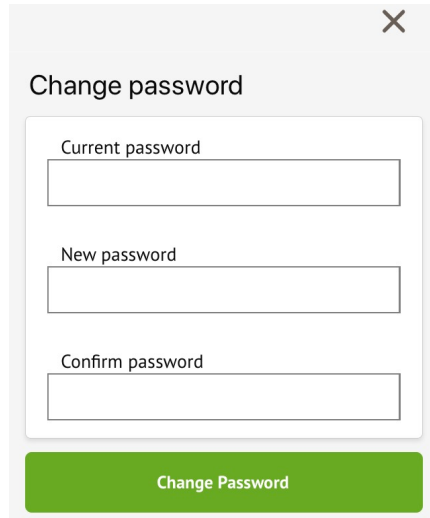

If you are logged into the Arbor App, you can change your password by clicking the profile icon, then clicking your name.

You will then be able to see your account details including your non-email username. Click to change your password.

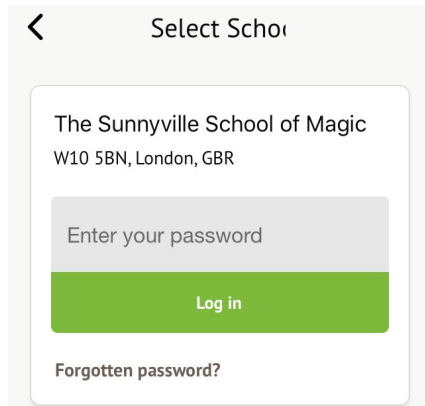

On the next screen, type in your current password and your new password, then 'Change Password'.

Tracking my child's Behaviour

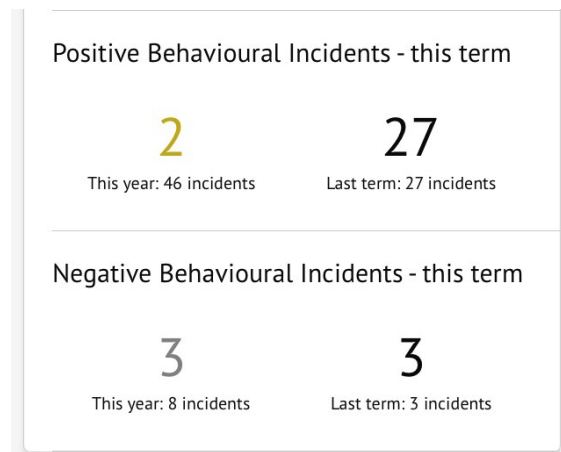

You can see basic statistics of your child's Behaviour Points by clicking their name at the top of the page and scrolling down to the **Statistics** section. You can see the running total this term, this year and last term.

The example below shows a neutral scale that keeps a running total of both positive and negative points together. You may see one scale like this, multiple scales or only a positive scale depending on what your school has decided to display.

Also in the Statistics section, you can see Incidents your child has been involved in. You can see the number of incidents this term, this year and last term.

Like the points scales, you may see positive incidents, negative incidents, both or neither depending on what your school has decided to display.

To view more detailed information, click the menu icon at the bottom left of your screen. Select **Behaviour**.

On the **Behaviour** page, you can see a more detailed break-down of the Behaviour Points, including the reason for the points awarded/deducted, who the points were recorded by and any notes. Please note, your school may have chosen not to display who points were awarded by and notes.

If no payment is required but you are allowed to give a contribution, you can select this option.

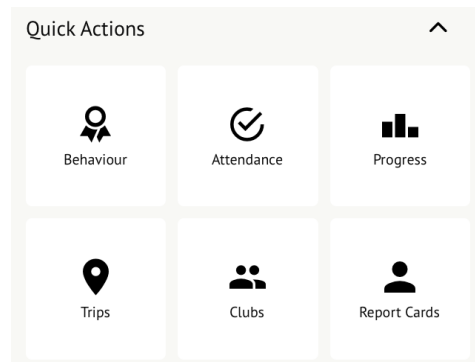

A vertical stack of three buttons. The top button is grey and labeled "Cancel". The middle button is green and labeled "Sign Up For Club (No Payment)". The bottom button is green and labeled "Pay".

If it is a club you have to pay for, you can input your card details to pay for the club. See the next section for an example of what this will look like.

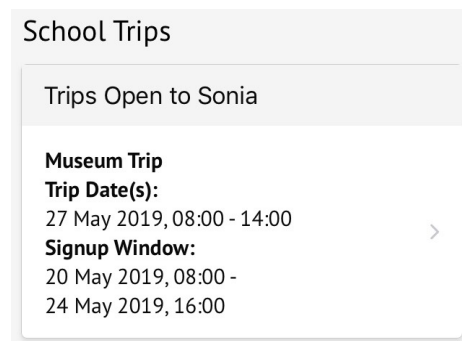

A screenshot of a web interface for reviewing memberships. At the top, a text box reads: "Please review the memberships below. If there are any memberships you do not want, please tick them and use the Delete Memberships button below to delete them." Below this is a list item: a radio button followed by the text "01 Apr 2019 - 07 Apr 2019 (£30.00)". Underneath the list item is a red button labeled "Delete Memberships". Below that is a section titled "Payment Amount" with a white background, containing the text "Payment amount £30.00". At the bottom of the screen are two buttons: a grey "Cancel" button and a green "Pay" button.

Trips

To sign up for a trip, click the menu icon at the bottom left of your screen. Select **Trips**.

You will then be able to see all of your child's upcoming trips, and trips they are eligible for.

Select the trip to reach the **Trip Overview**. Click the green button to sign up for the trip and pay if required.

On the next page, if no payment is required, you can simply sign up.

You may have to then authenticate your identity for the payment to go through. This is a requirement of the recently introduced [Strong Customer Authentication \(SCA\) regulations](#).

If authentication is needed for the payment, you will be prompted to authenticate the payment using the method of authentication your bank supports. This could be:

- an SMS code,
- your mobile banking app
- another method

For example, here's what it may look like if you're using Monzo. *(Please note, we are not affiliated with Monzo, this is purely an example)*

Once we've been able to confirm your identity, the payment will be completed and your card will be charged. You'll see confirmation that the transaction has been successful.

In-app Messages

Reading the messages

When you are sent an In-app message, you will receive a Push Notification (if you have enabled this feature).

In the Arbor App, you will see a notification at the bottom right of your screen on the profile icon. Tap this notification, then click **Messages** to see your messages.

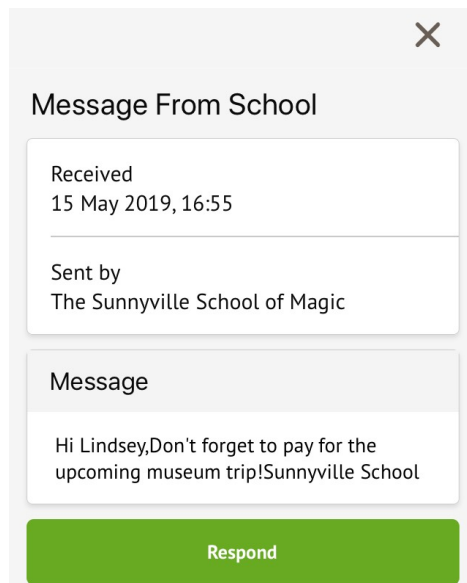

You will be taken to the **Messages** page where you can see all messages received and all replies you have sent to school if your school has enabled this feature. All new messages will be marked as 'NEW' and will be written in bold. Read messages will be written in normal text. Click the message to view it.

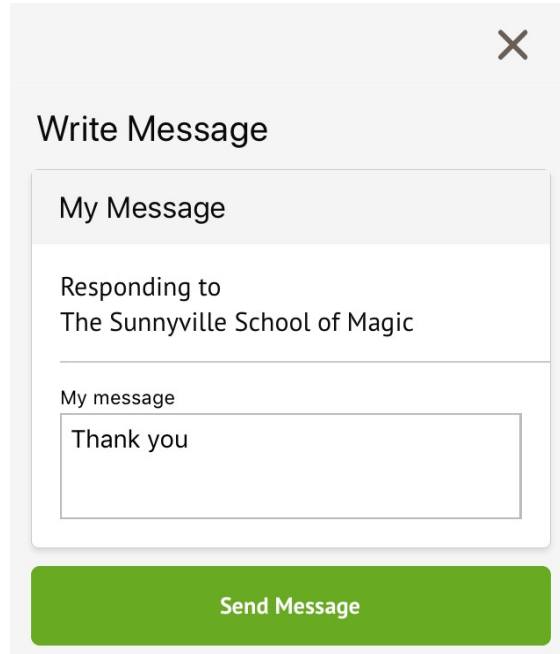

Replying to a message

If your school has enabled you to reply to messages, you will be able to click the '**Respond**' button to reply.

You can draft a message reply, then click send.

Troubleshooting

If you are having difficulty accessing the App, first check the email you received from the school with your initial login details enclosed to make sure you're using the right username.

If your details are correct and you are still not able to access the Arbor App, here are some steps to take:

- Your school must already have the Parent Portal enabled to allow you to use the Arbor App. Contact them to check.
- You will need to enter your oldest child who is enrolled in the school's birthday to access the App for the first time.
- Only relatives who are Primary Guardians of a child can access the Arbor App. Ask your school you check what type of guardian you are.
- Recheck your login details and ensure your username is the email address you use for Arbor.
- Ask the school's administrative staff to check the email address linked to the account. Confirm your email address to them, and once you're sure it's correct on your Arbor profile, ask them to reset your password. They'll find this under your user details on your Arbor profile.
- Make sure the login email was sent to you less than 96 hours ago. If you received the email more than 96 hours ago, the password creation link will have expired. Contact your school and ask them to send another email.
- If you do need to reset your password, you must ensure that you have included at least 8 characters, one uppercase letter and one lower case letter, and a number in your password.
- Ask the school's administrative staff to check that the email address has not been used twice - eg, another guardian or the child's profile.
- Make sure you are accessing the App on a phone, the App will not function on a tablet.

If none of these steps results in you being able to log in to the App, please contact your school. Please do not contact Arbor directly. They will contact us if necessary.

When passing issues on to your school, please let them know the type and model of phone you are using, e.g. an iPhone SE. Please also include screenshots or a screen recording of the issues you are experiencing. On an iPhone SE, you can enable this on your control panel by going to **Settings > Control Centre > Customise Controls**.
