HEADTEACHER: Mrs R Skelton

September 2023

Dear Parents / Carers,

**Open Evening for Y5 and Y6
Thursday 28th September 2023
4.30 pm - 6.30 pm**

Welcome to the new school year!

As part of our Transition offer for this academic year, we would like to invite you into TGA for a tour around our amazing campus and to visit all of our fantastic subject areas.

The purpose of the evening is for you and your son or daughter to get a sense of the TGA school community and how it works. We wish to show you all of the amazing things we have on offer for your child to take part in and study, should you chose to apply for a place.

Each and all of our areas will be open and on display for you to visit and get involved with. Mrs Skelton, our Headteacher will be delivering a short presentation about the move to secondary and how we feel we can support your child's future education and journey into KS4.

Sign-in and tours will begin from 4.30 pm, with some light refreshments offered as you travel around our building. You will be guided by student ambassadors and you will have chance to see us in action and ask any questions that you might have.

I have enclosed our flyer which advertises the event in great detail and we really do hope that you are able to join us on the evening.

Yours faithfully,

Mrs Alison Bolton
Assistant Headteacher for Transition and Personal Development.
