

Monday 15th April 2024

To the Parents/Carers of all children in Year 6

Dear Parents and Carers

We would like to invite all parents and carers of children in Year 6 to attend a meeting to provide more information about what your child will be doing during their time in regards to the SATs tests that your child will take during week commencing Monday 13th May 2024, Monday to Thursday.

This meeting will be held on **Tuesday 23rd April from 2.30pm-3.10pm in the school hall**. The purpose of the meeting will be for us to outline the provision we will be providing to prepare your child for their SATs and how you can help your child at home.

The meeting will also give you the opportunity to ask any questions you may have about the tests. We appreciate that this can be a difficult time for both you and your child and hope that this meeting will enable you to feel more relaxed about the testing process.

We hope that you will be able to attend this informative meeting and look forward to seeing you. However, if you are unable to attend and would like to speak to a member of the teaching staff from Year 6, please contact school and we will endeavour to make an alternative date and time for you to meet with them.

Yours sincerely

Mrs A Allenson

Year 6 Class Teacher/Assistant Head of School
