FAQ's

How do I know if my child is entitled to free school meals?

All children in Reception, Year 1 & Year 2 are entitled to Universal Infant Free School Meals. You do not need to apply; this will automatically be actioned on your account.

If you receive any benefits, we encourage you to discuss with the school. An application for the benefits related Pupil Premium grant, could attract extra funding for your child's school, along with other benefits, such as help with uniform costs. Your school will help you with your application, or alternatively you can apply directly, here <https://www.lincolnshire.gov.uk/school-pupil-support/apply-free-school-meals>

I cannot access my account, what do I do?

In the first instance, please try resetting your password, using the 'Forgot password' button on our home page <https://schoolmealsonline.com/password/reset> Please check your junk mail folder if you do not see an email to reset your password.

I share parental care with an ex-partner, can we both have an account for my child?

Unfortunately, we can only hold one account per child. This is to ensure there is only one meal order in place, at any one time. It may be that you can use a separate, shared email address and password. If not, we would be happy to take one parent/guardian's orders online, and the other via email or telephone. Please contact us for more information.

I have missed the deadline; can I still order meals?

We try to remain as flexible as possible on processing late orders. Please contact us at the earliest opportunity and a member of the team will be happy to help. If our supplier orders have already been submitted, we may need to limit the meal choices that we can offer, however, there should always be something available to offer.
