Term 2

Learning Journey – History, Geography, Science & DT

This term the children will be answering the question, **‘What was life like for a child in WW2?’** This learning journey will incorporate the children's history, geography, science and DT learning. In history children will be exploring what it was like to have an air raid shelter in their garden; why some children were evacuated and how, and how the war has impacted our lives today. Science will be focused on electricity and how it's used to send communications while DT this term will be exploring food and recipes during the war. The children will learn about rationing and the real life implications of this when trying to cook. They shall explore the seasonality of ingredients and then use this knowledge to create, evaluate and adapt a biscuit recipe.

RE

Are Rosh Hashana and Yom Kippur important to Jewish children?

This term the children will be building upon the learning that we started during term 1. This will allow us to get a closer insight into Judaism.

PE

PE will take place on Tuesday for Maple class and a Thursday for Holly class. During these sessions, we will be building on our basketball skills, using some of the techniques of possession, defending and attacking learnt in netball last term. We will look closer at the skills and tactics required to be successful in basketball.

Dates for the diary

5th November

Parent workshop

11th November

Walk to the war memorial

25th November

Premier Education PE day

5th December

In school education workshop from the Holocaust centre

17th December

Christmas fair

20th December

Christmas Day

Computing

Computing systems & Networks

This unit introduces children to the creation of websites for a chosen purpose. Year 6 will identify what makes a good web page and use this information to design and evaluate their own website using Google Sites. Throughout the process the children will pay specific attention to copyright and fair use of media, the aesthetics of the site, and navigation paths.

PSHE

Our SCARF unit this half term is **Valuing Differences**. We will be learning about; the importance of accepting and respecting peoples differences, tolerance and how to challenge stereotypes.

Music

Classroom Jazz

All musical learning this term will be around jazz. All learning is focused around two tunes: Bacharach Anorak and Meet The Blues
