

Year 3.

Autumn Term 2.

Curriculum Newsletter.

Learning Journey: Geography, Design & Technology (DT) and Science.

This term, the children will be answering the question, '**Why would you chose Lincolnshire to build your farm?**'. In Geography, we will be using maps to locate cities and counties in the UK as well as learning about Lincolnshire in more detail. In DT, we will be looking at foods that are produced and grown in Lincolnshire and will be sampling a selection of foods as well as focusing on what is a varied, balanced diet. We will be using our skills of peeling, cutting and mashing to create a sausage and mash meal before evaluating it. In Science, we will be investigating types of rocks and soils to understand why Lincolnshire is so good for farming.

Religious Education (RE).

Has Christmas lost its true meaning?

This term, we are learning to find out what the true meaning of Christmas is to Christians and compare this with what Christmas means to us. We will be reading the Christmas story as well as making a class Christmas tree with decorations to show all of the non-Christian and Christian aspects of Christmas.

Physical Education (PE).

This term, we will be focusing on Gymnastics and Fitness. As part of our warm-ups, we will be developing our speed, strength, co-ordination, agility, balance and stamina. In Gymnastics, we are going to be creating interesting point and patches balances, different types of jumps using the apparatus, learning different types of rolls as well as creating a sequence individually and with a partner.

Dates for the diary:

Wednesday 8th November 2023
Year 3 visit to the library.

Thursday 7th December 2023
Year 3 Indian experience workshop.

Computing.

Creating Media: Stop Frame Animation.

We will use a range of techniques to create a stop-frame animation using iPads. Next, we will apply these skills to create a story-based animation. At the end of the unit, we will be adding other types of media to our animation, such as music and text.

PSHE.

Our SCARF unit this half term is **Valuing Differences**. A keyword for this term is **Respect**. By looking at different types of families and groups that make up our community, we will be focusing on the importance of listening and responding to people respectfully even when they are very different from them. As well as diversity and the benefits of living in a diverse community.

Music.

This term, we will be playing a musical instrument called the Glockenspiel. We will be learning the C, D, E and F notes along with learning the different types of note names and playing different pieces of music.
